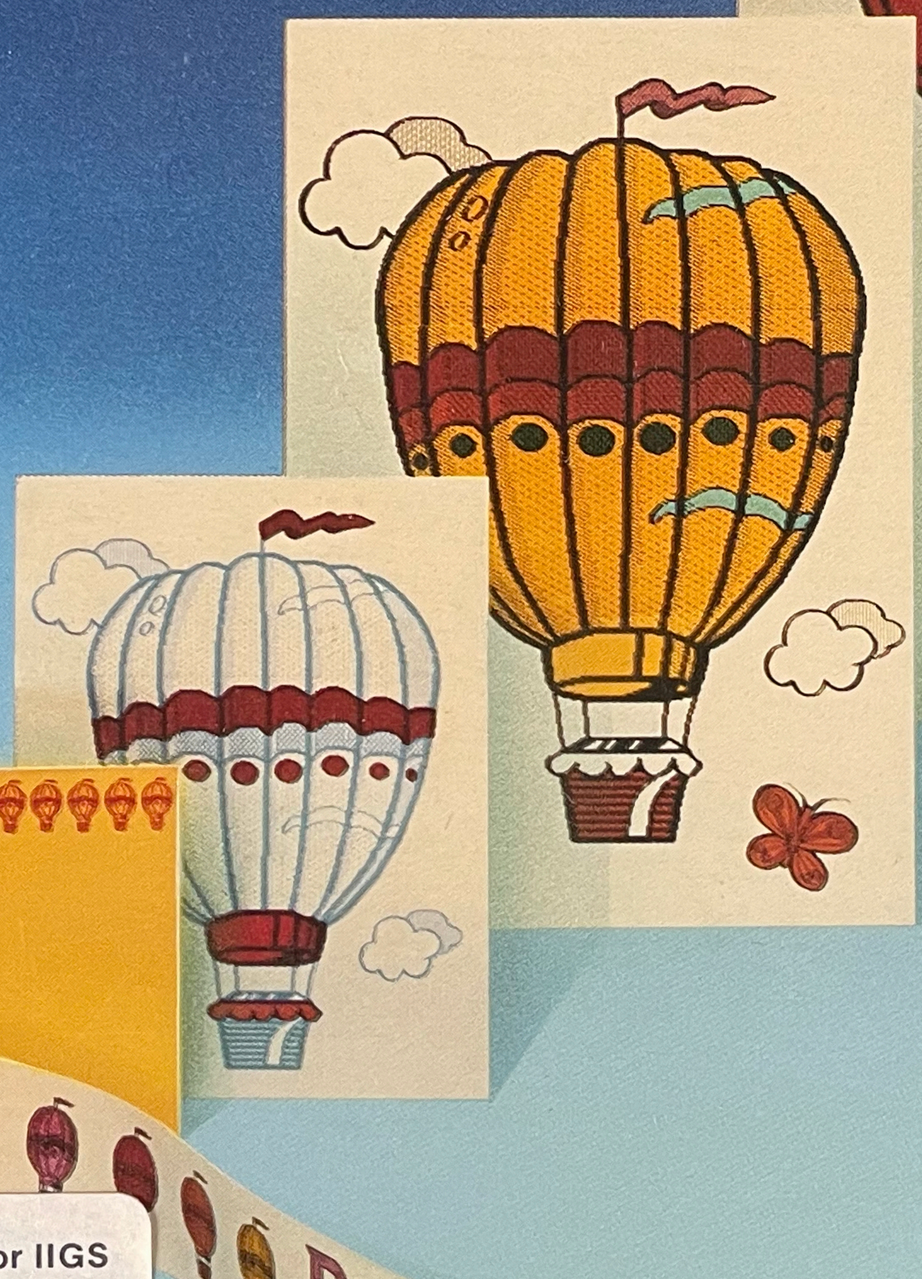
SUPERPRINT!™

The bigger-than-life
printing program that creates
graphics almost 5 feet tall!

ACTUAL SIZE
25½" × 55"



Graphics nearly 5 feet tall!

Print everything from stationery, banners, and greeting cards to super-size posters and decorations.

Now there's a printing program so advanced you can produce a giant wall decoration one moment and a dozen party invitations the next. Want a Happy Birthday banner decorated with candles? It's a piece of cake. Need a five-foot tall Santa Claus poster at your next Christmas party? Or a giant dinosaur? Or a big wall calendar with holiday and seasonal graphics for each month of the year? With *SuperPrint,* your wildest creations are just a few keystrokes away.

Unlimited Graphics

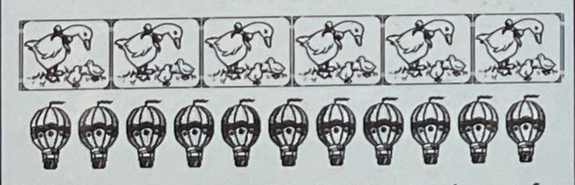
Everything you need to start super-printing your own masterpieces is included in *SuperPrint:* graphics, typestyles, borders, background motifs, a calendar-maker, and a unique vertical scrolling feature that lets you place text or graphics anywhere you like. The easy-to-read User's Manual is a snap to master and comes illustrated with dozens of ideas to get you started.

SuperPrint options include:

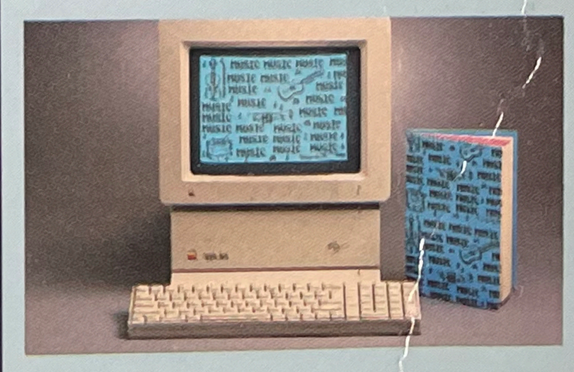
- Sizes: each graphic prints in four different sizes, super small to super large.

- Graphics: almost 200 different ones, from tiny "clip art" icons to giant 55" ultra-graphics. Choose from seasonal and holiday themes, sports, animals, children's decorations, party motifs, and more!

- Type Fonts: a choice of six in solid, outline, and bold formats.



- Borders: an unlimited number of your own custom borders plus ten predesigned styles.
- Wall-size Calendars: custom decorate your own giant wall calendars with a choice of seasonal and holiday graphics you won't find anywhere else.
- Scroll and Stamp Graphics and Text: scroll through your entire creation and stamp an unlimited number of different graphic elements on your signs, posters, or banners (other programs limit you to one or two).
- Signs/Bulletin Boards: for any occasion, in any size, in a choice of colors.



SuperPrint lets you see your creation on screen exactly as it will print. No other printing shop program does that!
